

# World Café Regional Approach To Global Market Transformations

Global Vision | Regional Action  
2015 to 2020

## World Café - Session objectives

- To discuss the elements of a shared action plan for increasing production & uptake of CSPO – globally, regionally, nationally
- To provide time for open dialogue across interest groups, sectors and countries.
- X tables, each has a resource person
- Suggested questions to guide the debate –can deviate and discuss whatever you think is most important.
- Just before 5pm will invite you back to give 4 key points
- RSPO will organize and summarize all the notes and share in a report.

Table	Vision	Why	How	Who	Resource person
Europe/Food x 2 Europe/Derivatives x 2 ASEAN x 6 China & India x 2 R.O.W. x 1	What is your level of ambition in relation to the global goal of market transformation and the 2020 regional uptake targets?	What are your incentives to meet targets on CSPO: - 100% certified plantations - 100% certified supply chains - 2020 market uptake targets? (100% Europe, 50% Malaysia & Indonesia, 30% China, 10% India)	Discuss how the following could help achieve your goals: - public policy - responsible finance - partnerships - innovations	How aligned do stakeholders need to be?  Where are critical gaps?  What is the added value of working regionally?
